

# ▶ INSIDER'S PICKS

As founder of Sparty (the ingenious company that brings massages, pedicures, and facials to private parties), Alexis Ufland sees firsthand which beauty items her clients go crazy for. Of course, before any product makes it to one of her events, Ufland herself has to fall for it. "I'm constantly experimenting," she says. "If I don't love something enough to use it on myself, I'm not going to put it out at a party." Here, her current favorites:

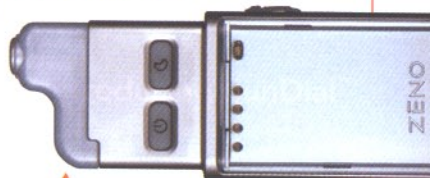

▲ **B. KAMINS THERAPEUTIC ANTI-AGING MOISTURIZER** "I use this rich, firming cream every night—it really makes a difference." **\$130, BKAMINS.COM**

▲ **SJÄL CELA INTUITIF** "Powerful but incredibly light, so this moisturizer is great if your skin is on the oily side." **\$250, BARNEYS.COM**

◀ **ELEMIS SKIN NOURISHING MILK BATH** "This has the sexiest powdery-clean fragrance and leaves your skin beyond silky." **\$66, TIMETOSPA.COM**

▲ **ZENO** "This brilliant little machine uses heat to make acne go away faster—you hold it against the pimple for two minutes, twice a day, and after two or three days it's gone. It hurts a tiny bit, but it actually works." **\$200, DRUGSTORE.COM**

▲ **DERMADOCTOR POUTLANDISH HYPER MOISTURIZING LIP TREATMENT** "This does it all: It plumps, softens, and has SPF." **\$28, DERMADOCTOR.COM**
