1 Nivea Good-bye Cellulite Gel-Cream (\$13) moisturizes and boosts collagen production to help smooth dimples. **2 DermaDoctor KP Duty Dermatologist Body Scrub** (\$44) blends exfoliating acids with soothing green tea to de-bump chicken skin. **3 Clarins Stretch Mark Control** (\$46) contains plant extracts that tone down existing stretch marks (on arms, or anywhere you've got them) and help prevent new ones. **4 Jergens Natural**

Glow Firming Daily Moisturizer (\$8) camouflages age spots with light diffusers and a gradual self-tanner. **5 Sally Hansen Spray-On Shower-Off Hair Remover** (\$7) pampers with shea butter as it defuzzes arms or legs in three minutes flat. **6 Vaseline Intensive Rescue Heal & Repair Balm** (\$9) smooths rough elbows with a heavy-duty dose of glycerin and petrolatum.
