

DERMAdoctor®

Just what the skin doctor ordered!™

TEASE zone®

oil control gel

50 ml - 1.7 oz

\$35

Skin Concern: Oily and/or shiny skin on the face.

DERMAdoctor Solution: Tease Zone instantly mattifies the skin and absorbs surface skin oils without drying the skin or leaving a chemical residue. Great as a foundation primer and for those prone to acne.

Feature	Benefit
Sebum Sequestering Micro-Particles™	Microscopic polymer sponges absorb excess surface skin oils without parching or drying

Inform Your Client

- Reduces surface skin oils.
- Will not leave the skin looking dry.
- Water light gel absorbs instantly without leaving residue or unpleasant chemical odor.
- Great for normal to combination, oily or acne prone skin types.
- Results are seen immediately.

Directions

Apply to clean skin (before or after skin treatment products) prior to your sun protection. Tease Zone may be patted onto the oily areas throughout the day to help mattify the skin - may even be applied on top of make-up.

Dermatologist Tested & Approved, Non Comedogenic, Allergy Tested, Non Irritating, Fragrance Free, Dye Free, No Animal Testing
