## wrinkle REVENGE™

rescue & protect eye balm

15 ml - 0.5 oz

\$48

**Skin Concern:** Anti-aging.

**DERMAdoctor Solution:** Wrinkle Revenge is an all-in-one eye balm that addresses fine lines and wrinkles, skin firmness as well as puffiness and dark circles. Its clinically proven amino acid peptide complex improves firmness and diminishes lines, providing potent antioxidant protection and increasing collagen synthesis.

Feature	Benefit
Peptide D-58 Complex	Blend of the newest generation of amino acid peptides, powerful antioxidants and hydrating agents
Caffeine	Rapidly shrinks bags due to fluid build-up
Hesperidin Methyl Chalcone	Reduces leakiness of blood vessels without the irritation often associated with Vitamin K when used near eyes
White tea	Potent antioxidant to calm and soothe the skin
Saccharomyces Lysate (Tissue Respiratory Factor)	Powerful depuffing agent
Ubiquinone (Coenzyme Q10)	Antioxidant

### Inform Your Client

- Rapidly shrinks bags due to fluid build-up.
- Ophthalmologist tested and approved for use around the eye including eyelids.
- Stimulates dermal fibroblasts to produce collagen and firm the skin.
- Potent antioxidants fight free radical damage.
- Restores the ceramide barrier, moisturizing skin and reducing irritation.
